Deciding on an insurance company can be complicated and sometimes confusing. You want someone who will provide insight, service, and respect. You want a company that will always be there when you need them.

This is what you will find at **GFA Insurance Ltd**. We will sit down with you and determine the type of coverage that best fits your needs.

We have included information on our web-site about our company and the various types of insurance we offer. Be sure to take a look at the FAQ page for answers to some common insurance questions and links to other web sites.

...vehicle, business or yourself.

**Here is our opportunity to tell you about our company's history, philosophy, and staff.**

### **Our History**

Our company was created by a group of professionals having more than 20 years experience in the insurance field. It started its activities on 1st January 1997 dealing in general insurance business and has shown constant progress. The company is backed by a group of first class Re-insurers; this contributes to better stability.

To cater for the constantly growing number of customers, we have opened two branches situated at central Flacq and Goodlands.

### **Mission Statement**

Our mission is to cater for all the general insurance needs of the individuals and business organisations in providing one of the best tailor-made covers on the market. We are taking an active part in the development of the national economy by ensuring a safer business environment.

Our Insurance Company works hand in hand with S.Ruhomutally & Co. Ltd, an insurance agency in operation for more than twenty-two years.

Steady growth over the past 5 years has created the organisation we are today. We have more than thirty staff to serve all of your needs. Our branch offices are conveniently located in Goodlands, Flacq and Quatre-Bornes.

### **Our Philosophy**

We believe that serving our clients is the most important aspect of our business. We were founded on the belief that the customer always comes first. This philosophy continues in our work today and into the future.
